## ASTONISHING AND TRUE.

AMONG THE THOUSAND MEDICINES advertised as certain cures for pulmonary complaints, JAYNE'S EXPECTORANT stands alone. Its path to the public confidence has been paved, not with puffs, but CURES; and the vouchers for its efficacy include an array of names which, for character and respectability, cannot be surpassed in this country.—DR. JAYNE, being himself a Physician, does not profess to perform physical impossibilities; but he does assert, and is borne out by well authenticated facts, that in all DISEASES OF THE LUNGS AND CHEST, which are susceptible of cure without miraculous interference, his EXPECTORANT will restore the patient to health. No other medicine will remove the mucus or pus from the throat so thoroughly as this. It effectually loosens the coagulated masses from the membrane which lines the trachea, and at every cough the patient will bring up portions of the disengaged matter. In all complaints of the pulmonary organs, even where nature seems to be making no effort to throw off the disease, JAYNE'S EXPECTORANT imparts vigor to the machinery of respiration, and enables them to disengage themselves of obstructions which had impeded their free operation. It has restored hundreds to perfect health, after their physicians had given them up as incurable with CONSUMPTION. Coughs, Colds, Asthma, Influenza, Bronchitis, Whooping Cough, in a word, all diseases of a PULMONARY nature yield to this preparation, if properly administered.

Rev. J. S. Maginnis, Professor in Hamilton (N. Y.) Literary and Theological Seminary, says:—"I would not be without Dr. Jayne's Medicines in my family for any consideration. I have found them successful in cases where all other means have failed."

Mr. Nicholas Harris, corner of Front and Lombard streets, Philadelphia, was cured of COUGH, ASTHMA, and

BLEEDING OF THE LUNGS, under which he labored for many years.  
Rev. Ira M. Allen, of New York city, says:—"I have used Jayne's Expectorant, and have more confidence in it than

ALL OTHER MEDICINES of the kind."

Rev. Wm. Laws, Modestown, Va. says:—"I have used your expectorant, and found it an excellent medicine for PULMONARY DISEASES."

Daniel Henshaw, Esq. Editor of the Lynn (Mass.) Record, says:—"Jayne's Expectorant is a very valuable Syrup, which we have lately used with good effect in stopping a Cough and loosening and breaking up a COLD."

Rev. Arthur B. Bradford, of Darlington, Pa., says that it cured his son of CROUP in a few minutes.

The Bangor (Maine) Journal says:—"A trial of Jayne's Expectorant will satisfy all that it is a speedy cure for Coughs, Colds, Influenza, Asthma, Hoarseness, and all kinds of Pulmonary affections."

Mr. Ebenezer Webster, of Providence, (R. I.) was cured of a severe ASTHMA, by using two bottles.

Rev. Simeon Seigried, was cured of Influenza, a Hoarseness, and a hard dry Cough by one bottle.

Rev. Dr. Babcock, of Poughkeepsie, says that knowing Dr. Jayne to be a regular Physician, and having used his medicines personally and in his family, does not hesitate to commend them as safe and eminently useful medicines, and a valuable addition to our Materia Medica.

Rev. John Segur of Lambertville, New Jersey, who was suffering with a hoarseness and soreness of the lungs and throat, and a suffocating Asthma, was cured by one bottle.

Mr. J. L. Simpkins says that it cured his wife of CONSUMPTION, and one of his children of the WHOOPING COUGH.

Rev. Jonathan Going, D. D. President of Granville College, Ohio, says:—"He was laboring under a severe COLD, COUGH and HOARSENESS, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant."

Mrs. Dilks, of Salem N. J. was cured of Asthma of 20 years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by five bottles. Dr. Hamilton of St. James, S. C. was greatly affected by a Cough, Hoarseness, and soreness of the Lungs, and on using a bottle of this medicine found permanent relief.

Lewis C. Levin, the distinguished advocate of Temperance, stated at a meeting of upwards of three thousand persons, that he should not have been able to address them, but for the use of 'Jayne's Expectorant.' He said that he had been laboring under a hoarseness and severe oppression of the chest, that he had purchased some of the Expectorant the day before, which had relieved him in a few hours, and he found himself, contrary to his own expectation, able to address the multitude.

The proprietor could add hundreds of other names equally respectable, who recommend JAYNE'S EXPECTORANT as superior to ALL OTHER MEDICINES for the cure of all the various Pulmonary diseases.

Prepared and sold by Dr. D. JAYNE, No. 20 South THIRD Street, Philadelphia, where all his other valuable preparations may be obtained.

NO EXCUSE FOR A BALD HEAD.  
Since the important discovery of DR. JAYNE'S HAIR TONIC, every one may, if he chooses, preserve his hair from falling off, or if already bald may with certainty have his hair restored again by a faithful and persevering application of this valuable HAIR TONIC.

Please to read without prejudice the following communication from the Philadelphia Sun, which in addition to hundreds of others equally respectable should remove the doubts of every reasonable person of the uniform and singular efficacy of JAYNE'S HAIR TONIC:

We publish the following letter from a sense of duty to the public. It is just such a letter as we should have expected from such a source. We know Dr. Quigly personally, and there is no man in the country, whose opinion is entitled to more respect.—He is on all subjects honest and sincere, and his high character as a Physician can be attested by the first medical men in this city.—Philad. Sun.

Shepherdstown, Va. Oct. 10, 1843.  
Dear Sir:—You inquire of me whether I have used your Hair Tonic, and the effects.

Several years ago my hair began to fall rapidly from the scalp, and I had the prospect of premature baldness. During several years I used various preparations recommended for the hair, from which I derived no benefit. At length a friend recommended your Hair Tonic. I used three or four bottles according to the printed directions, and at the end of six months, my hair was thick set, and since its tendency to turn grey was arrested.

I have never before given a certificate recommending patent medicines, which indiscriminately used, as they often are, do much injury, but in a case like the present, where I know the article to be beneficial and that it can do no harm, I have no scruples in stating facts within my own knowledge.

Yours, &c. JOHN QUIGLY, M. D.  
Dr. D. JAYNE, Philadelphia.

## MRS. GARDNER'S BALSAM OF LIVER.

WORT, FOR THE CURE OF COUGHS, COLDS, WHOOPING COUGH, &c.—The public are particularly cautioned to inquire for Mrs. M. N. Gardner's Genuine Indian Balsam of Liverwort and Hoarhound, as there is an article offered to the public that is not genuine. Likewise be particular that the white wrapper is signed M. N. Gardner, and the red label outside, as a security against counterfeits, by the proprietor.

It is, without any exaggeration or exception, one of the greatest discoveries ever made in this part of the country. It has saved, within two years, hundreds from the grave. It has been sent for from all parts of the country that has the least knowledge of its glorious effects for such a simple vegetable compound. It has been found to be extremely efficacious in the following diseases, viz: Consumption, common coughs, Colds, Whooping-Cough, difficulty of breathing, Asthma, Influenza, Quinsy, Phthisis, spitting of blood, Croup, Weakness, pain in the side, want of sleep, &c. Likewise there is nothing existing so good for the Liver Complaint as this medicine; it has been taken with great success. This Balsam, for all complaints, of this kind, exceeds all preparations ever offered to the public. In the country where it has been administered, it has had most wonderful effects. There could be hundreds of certificates mentioned, where it has proved itself a perfect and safe remedy for all these complaints. A few are given below.

### CERTIFICATES.

I, AMOS WEBSTER, of Boston, feel it a duty to acquaint my friends and the public, of the efficacy of the Balsam of Liverwort. Having been troubled with a very bad cough for a great length of time, and having resorted to most of the remedies which are recommended for coughs and colds without any effect, I was induced to try the Balsam of Liverwort, and by taking two bottles, I was restored to perfect health.

I, the subscriber, have taken Mrs. Gardner's Genuine Balsam, of Liverwort, for a complaint which my physician called consumptive, and by the use of two bottles I was cured entirely. Therefore, I do with the utmost confidence recommend it to the public for complaints of that kind.  
THOMAS HASKINS, Jr.

Boston, Nov. 1, 1831.

It is with great pleasure I recommend the efficacy of Mrs. Gardner's Balsam of Liverwort, having made use of it myself, and in my family, for the last two years, and have found it the best remedy for the cure of coughs and colds, and all complaints of the breast, that I ever witnessed in my family. I consider it one of the best articles ever invented, and recommend it to all who may be afflicted.

This ink has acquired a celebrated character, and is in extensive use. The following certificates are from Dr. Thomas P. Jones, of the Patent Office, and Dr. F. Hall, late Professor of Chemistry at the Medical College of this city:

WASHINGTON, Jan. 28, 1843.  
Mr. Joseph E. Hover: Sir: I have made use of your Black Ink sufficiently long to ascertain that it possesses all the desirable qualities which are necessary in the employment of steel pens more fully than any kind of ink that I had previously essayed, and I have got pretty well through the catalogue. I have not taken the trouble to test it chemically, as this has been already done by others whose certificates are as satisfactory to me as though the experiments had been made by myself.

THOMAS P. JONES.

WASHINGTON, Jan. 23, 1843.  
Mr. Joseph E. Hover: Sir: I have examined and used part of the specimens of ink which you left with me, and am prepared to speak favorably of them both. Since I began to use metallic pens, I have never been able to obtain ink which would not more or less corrode, and speedily destroy them. Yours appears to be free from every corrosive ingredient. The marking ink possesses, in my opinion, all the qualities which are requisite to give to the article a very high character. Yours, respectfully,
